People mentioned above were captured and arrested by the coalition forces and were detained in the American compound in this region. According to the detainees' statement that they were tortured and beaten with heavy objects. One of the detainees had died under torture, named Jamal Libari, his body along with the prisoners <sup>were surrendered</sup> to the security command of Paktia. The prisoners spend about 2 months inside cells in the security command. In order to success this case, please give us your feedback to verify the situation?

The following information is needed: 000401

Here are the answers for the questions above  
1. There was no autopsy performed on Jamal Chharia's body  
and we don't know anything about it. 000402  
2. Nasir son of Chharia who suffered multiple wounds  
and the others likewise; they were beaten with  
hard fist like objects and suffered wounds because

of that. They were treated many times for their wounds in the health Department of the security command of Paktia, and medications were prescribed for them, and also they were sent to the civilian health Department for treatment and diagnosis. They were sent on many different occasions for treatment.

Their wounds could not be identified because of lack of equipment necessary.

Sincerely

Signed

Proposal -

To the security Command of Paktia -  
The folder for [redacted] and other six who were  
arrested for robbery is being searched in this office  
and being investigated. During the investigation  
of those charged with crime, mentioned that they  
were eight people in the beginning, after they  
were arrested, only seven of them were in the  
Jail cell in an American compound, and one of them  
had died under torture while interrogated, and the  
body of deceased Jamal - Ghazi was surrendered  
to the security Command of Paktia region

I respectfully request proper attention towards  
Investigation of this case and request proper action  
for clarifying the situation
